

H Arvindkumar & Sons

www.indiamart.com/omfastener

We are one of the promising manufacturers, suppliers and exporters of a wide assortment of Industrial Fasteners. Owing to high quality, our range is extensively used in petrochemical, heavy engineering, chemical and cement industries.

Profile

Established in the year **1970**, we, "**Om Fastener**", are counted amongst the prominent manufacturers, suppliers and exporters of a wide range of **Industrial Fasteners**. It is well-known for its durability, corrosion resistance & dimensional accuracy and can also be availed in varied sizes & specifications.

Our state-of-the-art infrastructure is installed with latest machining and designing facilities that enable us in meeting the application requirements of petrochemical, heavy engineering, chemical and cement industries. Moreover, our dexterous team of professionals keeps a tab on the latest technology advancements and specifications laid down by the customers. We follow a strict quality regime to ensure that our range is free from any defects and in conformation with **ISO, IS, BS, DIN, ASTM & ANSI** standards. Owing to these factors, we have been able to cater the demands of our esteemed clients based in **Indian Subcontinent**.

Our mentor, '**Mr. Himanshu Shah**', holds rich industry experience and in-depth knowledge in this domain. He has been a guiding factor in every field of business, right the procurement of raw material to merchandising the products worldwide.
